

Dear Teachers Credit Union Customer,

Teachers Credit Union is aware of new phishing e-mails that are circulating. These e-mails request consumers to click a link due to a compromise of a credit card account. You should not respond to this message.

Due to unusual levels of fraud we have had to suspend any future authorizations being conducted with your TCU Visa Check Card.

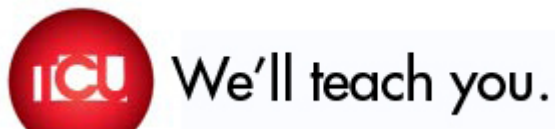

For your security we have deactivate your card.

How to activate/re-activate your card ?

You may stop by your branch or call our Card Department:

Toll-Free (866) 662-0402 (24 Hour Line)

Our automated system allows you to quickly activate your card.
